

Donor Privacy Policy

Personal Contact information we collect and what we do with it:

When you are making a donation, requesting information, or referring a sick or disabled child for a flight, we ask you for personal contact information, including your name, mailing address, phone number, and email address. We will use this information to provide you with information or resources you have requested, such as information about Miracle Flights, a receipt, or a financial report, or we will use your information to contact you to clarify or verify other information, such as a donation you made, or information on a child that you have referred to us.

Personal contact information is not shared with any organization outside of Miracle Flights and our agents (reputable companies we use for services, such as sending Miracle Flights' mail.) We have contracts to protect your privacy with all of our agents.

Personal billing information we collect and what we do with it:

In addition to personal contact information, we ask for billing information, such as your billing address and credit card number, when you make a donation. We use secure servers to gather and process your billing information. These secure servers are hosted by our agent Paypal, which is bound by our site policies. Your billing information is not shared with any other organizations, and your credit card number is not retained once your transaction has been authorized and processed.

Other contact information we collect and what we do with it

In some instances, we ask for contact information for people other than yourself – for example, e-mail addresses of friends to whom you wish to send a copy of one of our pages or the mailing address of someone you wish to have us notify of a donation you have made. Such contact information is not shared with any other organization. Collecting such information for our own use is called prospecting.

How to view or change your information:

With the exception of credit card numbers, which are not retained, you can request changes to all the information you have given us, including any mailing lists you may be on, by contacting us one of two ways:
