

Patient Criteria

Miracle Flights is committed to providing our patients with optimum conditions for comfort and dignity. In order to accomplish this, we have established criteria to aid us in accepting those patients who will benefit to the greatest extent from our charitable flights.

- ◆ Must be able to board the aircraft and be able to sit upright in the seat or wheelchair.
- ◆ May be a blood or organ donor.
- ◆ Must not be on any life support systems. Equipment or oxygen must be approved by the commercial airlines. Portable oxygen concentrator and oxygen must be provided by the patient.
- ◆ Must be going to or from a recognized treatment center.
- ◆ Must arrange ground transportation for themselves and family members to and from the airport.
- ◆ Baggage fees will be paid by the traveler(s).
